

Sumitra Kathayat

QA Trainee | Software Test Engineer Trainee

📍 Patandhoka, Lalitpur, Kathmandu | ☎️ +977-9803465908 |
✉️ sumitrakathayat590@gmail.com |  linkedin.com/in/sumitra-kathayat-24b3b82a7

Professional Summary

Detail-oriented QA Trainee with hands-on manual and API testing experience across three independent projects, plus foundational knowledge of core testing concepts, the defect life cycle, and Selenium-based automation. Practiced in the full Software Testing Life Cycle (STLC) – requirement analysis, test scenario and test case design, execution, defect reporting, and verification. Certified in QA fundamentals; comfortable working within Agile/Scrum and SDLC environments. Seeking a Trainee/Junior QA Engineer role to apply and grow these skills within a professional testing team.

Technical Skills

Testing Concepts & Methodologies:

- SDLC, STLC, Agile, Scrum, Bug Life Cycle, Verification & Validation, Requirement Analysis, UAT (User Acceptance Testing)
- Smoke Testing, Sanity Testing, Integration Testing, System Testing, End-to-End Testing, UI Testing, Database Testing, Compatibility Testing

Applied Manual Testing (Hands-on):

- Functional Testing, Regression Testing, Exploratory Testing, Boundary Value Analysis
- Security Testing (SQL/Script Injection), Accessibility Testing, Performance Testing, Cross-Browser Testing, Responsive Testing

API Testing:

- Postman, REST APIs, HTTP Methods (GET, POST, PUT, DELETE), JSON Request/Response Validation, Status Code Validation, Query Parameter & Filter Testing, Environment Variables

Automation Testing (Foundational):

- Selenium WebDriver, Java, TestNG, Locators (ID, XPath, CSS Selector), Assertions, Basic Automation Framework – applying these in an ongoing browser-automation project

Tools, Database & Documentation:

- Jira, Bug Tracking, Defect Reporting, Test Case Design, Test Scenario Design, Test Planning, Test Execution, Browser DevTools, SQL fundamentals, MS Excel / Google Sheets

Professional QA Projects

OpenCart E-Commerce Website — Manual Testing

demo.opencart.com

- **Modules Tested:** Registration, Login, Forgot Password (OTP-based reset), Create New Account
- **Approach:** Authored a formal test scenario document; designed and executed test cases with defined preconditions, test data, and expected results
- **Testing Types:** Functional, Negative, Boundary, Field Validation Testing
- **Key Defects Found:** Expired OTP incorrectly accepted, non-functioning Resend OTP flow, weak-password acceptance
- **Deliverables:** Test Scenario Document; Test Case sheets for all four modules

Hisab Kitab — Business Management Platform (Manual Testing)

staging.hisabkitabnepal.com

- **Scope:** 78 test cases covering Registration – functional, boundary, security, UI, responsive, accessibility, browser-compatibility, and performance testing
- **Testing Types:** Functional, Boundary Value Analysis, Security (SQL/Script Injection), UI, Responsive (768px/375px), Accessibility, Cross-Browser (Chrome, Edge, Firefox), Performance

- **Key Defects Found:** Unsanitized script-injection and SQL-injection payloads accepted; untrimmed leading/trailing spaces in phone number; page-reload performance exceeded 3-second SLA (8.3s observed); form submission failed silently under slow (3G) network
- **Deliverables:** 78-case Test Case document with full traceability (ID, Type, Data, Expected vs. Actual Result, Status)

EscuelaJS (Platzi) Fake Store — REST API Testing

fakeapi.platzi.com

- **Modules Tested:** Products, Categories, Users, Authentication, Locations, File Upload
- **Approach:** Designed and executed 40+ API test cases validating all four core HTTP methods, query-parameter filtering, and pagination
- **Testing Types:** Functional API Testing, Positive & Negative Testing, Query-Parameter/Filter Testing, Status Code Validation
- **Key Defects Found:** Combined id+slug filter on Categories returned incorrect data; Locations size parameter ignored, returning all records
- **Deliverables:** Structured API Test Case sheet (Method, Endpoint, Request Body, Expected vs. Actual Status Code, Status, Remarks)

Certifications

Quality Assurance Course — Code IT

Issued: May 2026

- Credential ID: CION-21459 — QA fundamentals, STLC, manual testing techniques, test case creation, bug/defect reporting, functional and regression testing, automation testing using Selenium

Education

BSc. CSIT — Padmakanya Multiple Campus (Tribhuvan University)

Present (Final Semester)

SLC — Omega International Secondary School, Lalitpur

2079

SEE — Shree Madan Smarak Secondary School, Lalitpur

2076

Soft Skills

Problem Solving • Communication • Team Collaboration • Analytical Thinking • Critical Thinking • Adaptability • Time Management • Attention to Detail
